1. The City Council seeks committee representation from the following groups: citizens, property owners within or nearby the Plan area, and representatives of: local schools, colleges and universities; community advocacy groups; public health officials or advocates; development community, and local chambers of commerce representatives or other business interests.

   Which organization do you represent? _____

2. List past or present involvement in community-related activities *(i.e. volunteer work, committees, commissions, boards, etc.)*

3. State your understanding of the purposes, responsibilities, and services offered by the board/commission for which you are applying.

4. List any training, education, or experience that you feel would be advantageous to the board/commission for which you are applying.

5. State your reasons for submitting this application and what you expect to accomplish on this board/commission.

6. This space may be used for any other information you feel is pertinent.

7. List two references who can attest to your suitability for appointment to the board/commission.
