Citizens Advisory Committee

Name:

A Citizens Advisory Committee will be formed to assist the City in the crafting of the Plan. The Committee will: 1) have defined roles and duties; 2) be available to attend up to 10 meetings over a 18 month period; 3) read draft plan text, reports, studies and other related materials; 4) work with other Committee Members with varying opinions, perspectives, and interests; 5) bring skills relevant to Committee roles and duties; and 6) advise City staff and its consultant on aspects of the Community Plan. If you are interested in receiving an application packet to learn more about being a Committee Member, then please provide us with contact information. In order to reduce costs, this notice will be provided by email.

Orientation Presentation Feedback

The *Bellevue Corridor Community Plan* Project Manager, Bill King, will present the orientation of the Plan, which will include several opportunities for public input. This input will be utilized to ensure that the next phase of the planning process -- to prepare focused studies on focal points of the plan, includes comments, concerns, and ideas from the community. Below are opportunities for you to comment on these "Foundation Report" focal topics:

| A. Mobility | | |
