- Design Review/Analysis
- Earthquake Engineering
- Ecological & Archaeological Investigations
- Economic Impact Analysis
- Electrical Design/Studies
- Elevators
- Energy Auditing
- Environmental Engineering
- Environmental Impact Analysis, Assessments, Statements
- Environmental Planning/Permitting
- Environmental Site Assessment/Restoration
- Environmental Testing/Analysis
- Expert Witness
- Feasibility Study
- Financial & Economic Analysis
- Fire Protection

Supplemental Specialties

- Acoustics, Noise Abatement
- Aerial Mapping/Orthophotography
- Aerial Photogrammetry
- Air Balancing/Testing
- Air Pollution Control
- Asbestos Consulting, Surveys, Reports
- Assessment Engineering
- Audio/Visual
- Auditoriums & Theaters
- Bridge/Structure Engineering
- Building Demolition Engineering
- CPM Scheduling & Monitoring
- Chemical Analysis
- Chemical Processing & Storage
- Claims (Analysis, Management, Avoidance)

- Fire Station
- Geotechnical Engineering
- GIS
- GPS
- Grading Plans
- Grant Application/Management
- Graphic Design
- Groundwater Data Management
- Groundwater Contaminant Modeling
- Hazardous Waste; Management, Planning
- Heating, Ventilating, Air Conditioning
- Historic Preservation
- Industrial Waste Treatment
- Instrumentation/Controls Engineering
- Irrigation; Drainage
- Life Cycle Costing
- Lighting (Athletic Fields)
- Maintenance & Shop Facilities
- Master Planning; Feasibility Reports
- Mechanical/HVAC Engineering/Testing
- Micro Tunneling
- Municipal Engineering
- Pavement Maintenance/Management
- Photography
- Pipelines
- Plan Checking
- Pollution Control/Studies
- Public Water Supply Engineering
- Pump/Lift Station Engineering
- Recreation Facility Engineering
- Rehabilitation (Buildings, Structures)
- Rehabilitation (Pipelines)
- Safety Engineering
- Sanitary Surveys
- Security System Engineering
- Seismic Design & Studies
- Sewage Collection
- Sewage Treatment
- Site Analysis
- Soils Studies
- Specification Writing
- Stormwater Master Planning
- Stormwater Systems Engineering
- Streets & Roads
- Street Lighting
- Surveying
- Telecommunications
- Telemetry System Engineering
- Testing & Inspection Services
- Traffic Engineering/Signal Design
- Transportation Engineering/Studies
- Towers
- Underground Storage Tank; Management & Engineering
- Utility Master Planning
- Value Analysis
- Vehicle Maintenance Facilities
- Wastewater Collection
- Wastewater Master Planning
- WWTP Operations
- Wastewater Revenue Programs/Rate Studies
- Wastewater Treatment
- Water Distribution System Engineering/Analysis
- Water Master Planning
- Water Resources; Hydrogeology, Groundwater
- Water Supply Engineering
- Well Design
- Wellhead Treatment Engineering
- Zoning & Land Use Studies
- Other (Specify)_____
- _____
