

During our 2016-2017 Leaf Collection Program Please remember...

...to move all vehicles off the road on your collection days.

...that all branches, brush clippings, pine needles, pine cones, and lawn clippings go **in your green waste container.**

...to sweep leaves into rows at least **FOUR FEET** from the curb, and storm drains.

...due to unforeseeable variables, routes may be delayed or ahead of schedule. If we get ahead of schedule we will return during your scheduled days.

2016/2017 Leaf Collection Program

City of Merced 2016-2017 Leaf Collection Program

Leaf collection starts November 7, 2016.

This program is available only within City of Merced limits

- Do not park at the curb on collection days.
- Sweep leaves into rows at least four feet from the curb.
- No branches, brush clippings, pine needles, pine cones, and lawn clippings will be collected.
- Please put as many leaves as possible in your green can.
- Program will operate six days a week, EXCEPT for Veterans' Day, Thanksgiving, Christmas, and New Year holiday.
- Due to unforeseeable variables, routes may be delayed or ahead of schedule. If we get ahead of schedule, we will return during your scheduled days. We appreciate your understanding and patience.
- Area service dates are next to the corresponding color/area on the map.
- Collected leaves are used for mulch and compost on local farms.

If you have any questions regarding this program, please call Public Works at (209) 385-6800
