Vehicle Code Section 42200 provides that fines and forfeitures which a city receives as a result of arrests by city officers for Vehicle Code violations must be deposited in a special city "Traffic Safety Fund." This fund may only be expended for traffic control devices; maintenance of traffic control devices; equipment and supplies for traffic law enforcement and traffic accident prevention; maintenance, improvement, or construction of public streets, bridges or culverts; and the compensation of school crossing guards who are not regular full-time members of the police department.
