

# **SITE PLAN REVIEW COMMITTEE MEETING FOR**

## ***WAL-MART DISTRIBUTION CENTER***

The City's Site Plan Review Committee will be holding a public meeting regarding the proposed **Wal-Mart Distribution Center** on Thursday, April 23, 2009. The Site Plan Review Committee is a staff committee made up of the Director of Development Services, the Chief Building Official, and the City Engineer.

The only action being considered by the Site Plan Review Committee is whether to refer the Site Plan Review Application to the Planning Commission for a public hearing and decision per the terms of MMC 20.68.040 (B). The Committee will **NOT** be reviewing the project itself or the Environmental Impact Report. This is **NOT** a public hearing, but the public is invited to attend and may speak on the action under consideration. Speakers should focus their comments on the recommended action. Public hearings on the project will be scheduled at a later date before the Planning Commission and City Council.
