PLANNING COMMISSION AGENDA

August 20, 2014

GENERAL INFORMATION

The Planning staff can assist you with other planning questions on matters such as annexation to the city, land subdivision, downtown Merced projects, home occupation permits, zoning, population and housing. (Phone 385-6858) 678 West 18th Street, Merced, CA 95340. Prior to each regular Commission Meeting, a complete agenda packet is available for review in the Planning Department at 678 West 18th Street, Merced, and on the City's website at www.cityofmerced.org. Any documents provided to a majority of the Commissioners after this agenda is posted will be available for public inspection in the Planning Department during normal business hours.

THE PLANNING COMMISSION

The citizens of Merced elect the members of the City Council. They in turn appoint seven advisors, the Planning Commission, to make recommendations on planning matters. The Commissioners are civic-minded citizens who serve an average of 35 meetings a year with no pay. Meetings are normally held at 7:00 p.m. on the Wednesday nights following the first and third Mondays of the month, in addition to special meetings as called.

The staff assists the Commission but does not vote. The City Attorney provides legal assistance and assists the Commission on procedural matters; the Planning Director and his staff prepare the agenda, provide reports, etc. Other City staff members such as the Civil Engineer also serve as advisors to the Commission.

PLANNING COMMISSION MEETINGS

The Commissioners are interested in your views and want to hear them. Information on a proposed action is publicized before it is brought before the Planning Commission. For example, on a proposed zoning action, mailers are sent to all property owners within a 300-foot radius and a notice appears in the legal advertisement section of the Merced Sun-Star. Important pending items will also often be mentioned in pre-meeting references in the local newspaper.

Consent Items

Items noted as "(CONSENT)" are considered routine and will normally be approved without a staff presentation or discussion by the Planning Commission unless a Commissioner or member of the audience has a question(s) or wishes to make a statement or discuss an item. If so, please approach the microphone at the time the particular item is reached.

Public Hearings

The Commission will ask those who are for* or against** a proposal to speak at all public hearings. The sequence of events is:

1. Staff report of facts and a recommendation.
2. Applicant's statement.
3. Proponents* of the proposal.
4. Opponents** of the proposal.
- (5. If necessary, a summary statement or rebuttal from the applicant.)

If you decide to speak, please submit a "Request to Speak" form prior to the start of the public hearing. You will be called up to speak at the appropriate time by the Recording Secretary. Please start by giving your name and city of residence, then tell the Commissioners your concern. We want your views; don't worry about how to say them. If several people have spoken, try not to be repetitious. If there are several in your area with concerns, why not appoint a spokesman. The Commission is particularly interested in the specific reasons you are for or against a proposal because their decision has to be based on specific reasons.

A Commission denial of a request or proposal is final in the case of Conditional Use Permit Applications (unless appealed to City Council within five days) and Tentative Subdivision Maps (unless appealed to City Council within 10 days). On many other items, the Commission RECOMMENDS ACTION to the Council. If your item is passed on to the City Council, be sure to follow up by attending the Council hearings and expressing your point of view.

You may also find that the Commission may not get to your item - set for 7:00 p.m. public hearing - until 10:00 p.m. for instance. We regret you having to wait. Experience has shown that setting hearings 1/2 - 1 hour apart is unwise, however. Sometimes matters are withdrawn or are resolved quickly leaving the commission and public in a position of waiting for an appointed time to arrive.

3. COMMUNICATIONS

At this time, any member of the audience may comment on any matter which is not listed on the agenda. Please submit a "Request to Speak" form prior to the announcement of the item by the Chairperson.

4. ITEMS

Any matters listed as ("CONSENT") in the descriptions below are considered routine by the Planning Commission and will be adopted by one action of the Commission unless any citizen submits a "Request to Speak" form or Commission member has any question or wishes to make a statement or discuss an item. In that event, the Chairperson will remove that item from the Consent Calendar and place it for separate consideration.

4.1 **Design Review #14-01**, initiated by Shaheen Zamani, property owner.

This application involves a request to construct a 3,108-square-foot retail tire store at 1457 W. 16th Street, within a Thoroughfare Commercial (C-T) Zone. (Item continued from meetings of June 18, July 9, and July 23, 2014) *PUBLIC HEARING*

ACTION: Approve/Disapprove/Modify

1. Environmental Review #14-15 (Categorical Exemption)
2. Design Review Application #14-01

4.2 **Vesting Tentative Subdivision Map #1302 ("Mansionette Estates Unit 5")**, initiated by Fremming, Parson, and Pecchenino, a Quad Knopf Company, applicant for Della Wathen, property owner. This application involves the subdivision of a 5.92-acre parcel into 20 single-family lots generally located at the southeast corner of Mercy Avenue and Mansionette Drive, within an R-1-6 zone. This application also includes a request to allow a deviation from City Standard D-8 and ST-1. City Standard D-8 limits the amount of lot frontage open for a driveway approach to 50% of the lot width. The deviation would allow up to 77% of the lot width to be open for a driveway approach. City Standard St-1 requires a park strip on local roads. The deviation would allow a 49' right-of-way with no park strip (the sidewalk would be adjacent to the curb). *PUBLIC HEARING*

ACTION: Approve/Disapprove/Modify

1. Environmental Review #13-03 (Negative Declaration)
2. Tentative Subdivision Map #1302

Parcel One (815 West 23rd Street) being generally located on the north side of West 23rd Street, approximately 50 feet west of O Street; Parcel Two (825 West 23rd Street) being generally located on the north side of West 23rd Street and approximately 150 feet west of O Street; and, Parcel Three (820 West 23rd Street) being generally located on the south side of West 23rd Street, approximately 100 feet west of O Street. *PUBLIC HEARING*
