# PLANNING COMMISSION AGENDA

Page 2

November 5, 2014

## GENERAL INFORMATION

The Planning staff can assist you with other planning questions on matters such as annexation to the city, land subdivision, downtown Merced projects, home occupation permits, zoning, population and housing. (Phone 385-6858) 678 West 18th Street, Merced, CA 95340. Prior to each regular Commission Meeting, a complete agenda packet is available for review in the Planning Department at 678 West 18<sup>th</sup> Street, Merced, and on the City's website at [www.cityofmerced.org](http://www.cityofmerced.org). Any documents provided to a majority of the Commissioners after this agenda is posted will be available for public inspection in the Planning Department during normal business hours.

## THE PLANNING COMMISSION

The citizens of Merced elect the members of the City Council. They in turn appoint seven advisors, the Planning Commission, to make recommendations on planning matters. The Commissioners are civic-minded citizens who serve an average of 35 meetings a year with no pay. Meetings are normally held at 7:00 p.m. on the Wednesday nights following the first and third Mondays of the month, in addition to special meetings as called.

The staff assists the Commission but does not vote. The City Attorney provides legal assistance and assists the Commission on procedural matters; the Planning Director and his staff prepare the agenda, provide reports, etc. Other City staff members such as the Civil Engineer also serve as advisors to the Commission.

## PLANNING COMMISSION MEETINGS

The Commissioners are interested in your views and want to hear them. Information on a proposed action is publicized before it is brought before the Planning Commission. For example, on a proposed zoning action, mailers are sent to all property owners within a 300-foot radius and a notice appears in the legal advertisement section of the Merced Sun-Star. Important pending items will also often be mentioned in pre-meeting references in the local newspaper.

### Consent Items

Items noted as "(CONSENT)" are considered routine and will normally be approved without a staff presentation or discussion by the Planning Commission unless a Commissioner or member of the audience has a question(s) or wishes to make a statement or discuss an item. If so, please approach the microphone at the time the particular item is reached.

### Public Hearings

The Commission will ask those who are for\* or against\*\* a proposal to speak at all public hearings. The sequence of events is:

1. Staff report of facts and a recommendation.
2. Applicant's statement.
3. Proponents\* of the proposal.
4. Opponents\*\* of the proposal.
- (5. If necessary, a summary statement or rebuttal from the applicant.)

If you decide to speak, please submit a "Request to Speak" form prior to the start of the public hearing. You will be called up to speak at the appropriate time by the Recording Secretary. Please start by giving your name and city of residence, then tell the Commissioners your concern. We want your views; don't worry about how to say them. If several people have spoken, try not to be repetitious. If there are several in your area with concerns, why not appoint a spokesman. The Commission is particularly interested in the specific reasons you are for or against a proposal because their decision has to be based on specific reasons.

A Commission denial of a request or proposal is final in the case of Conditional Use Permit Applications (unless appealed to City Council within five days) and Tentative Subdivision Maps (unless appealed to City Council within 10 days). On many other items, the Commission RECOMMENDS ACTION to the Council. If your item is passed on to the City Council, be sure to follow up by attending the Council hearings and expressing your point of view.

You may also find that the Commission may not get to your item - set for 7:00 p.m. public hearing - until 10:00 p.m. for instance. We regret you having to wait. Experience has shown that setting hearings 1/2 - 1 hour apart is unwise, however. Sometimes matters are withdrawn or are resolved quickly leaving the commission and public in a position of waiting for an appointed time to arrive.

3. COMMUNICATIONS

At this time, any member of the audience may comment on any matter which is not listed on the agenda. Please submit a "Request to Speak" form prior to the announcement of the item by the Chairperson.

4. ITEMS

Any matters listed as ("CONSENT") in the descriptions below are considered routine by the Planning Commission and will be adopted by one action of the Commission unless any citizen submits a "Request to Speak" form or Commission member has any question or wishes to make a statement or discuss an item. In that event, the Chairperson will remove that item from the Consent Calendar and place it for separate consideration.

4.1 **Conditional Use Permit #1192**, initiated by Pro Lube, Inc., applicant for the City of Merced, property owner. This application involves a request to remodel the existing car wash and vacuum area, demolish the existing Laundromat, and construct five new buildings that would include a Pro Lube Oil Change Center and Pro Lube Corporate Office, a small sandwich shop, and other auto related uses on an approximately 1.93-acre parcel located at 2322 G Street, generally located at the northeast corner of G Street and East 23<sup>rd</sup> Street, within a General Commercial (C-G) Zone. \*PUBLIC HEARING\*

1. Environmental Review #14-27 (Categorical Exemption)
2. Conditional Use Permit #1192

4.2 **General Plan Amendment #13-04, Site Utilization Plan Revision #20 to Planned Development (P-D) #2, and Conditional Use Permit #1185**, initiated by Fremming, Parson and Pecchenino, a Quad Knopf Company, on behalf of Gurdial Singh and Balbir Kaur, property owners. This application is a request to allow an exception to General Plan Policies T-1.3.j and T-1.3.k dealing with the placement of driveways along an arterial roadway and near intersections to allow a new driveway on G Street north of Park Avenue. Site Utilization Plan Revision #20 to Planned Development (P-D) #2 would allow a change in the land use designation for the site from restaurant to car wash. Conditional Use Permit #1185 would allow the construction of a 3,495-square-foot carwash and an 850-square-foot retail/pay station building to serve the carwash. The project site is generally located at the northwest corner of G Street and Park Avenue (2905 G Street) within Planned Development #2 with a General Plan designation of Neighborhood Commercial (CN). \*PUBLIC HEARING\*
