**THE CITY COUNCIL OF THE CITY OF MERCED DOES ORDAIN
AS FOLLOWS:**

SECTION 1. AMENDMENT TO CODE. Section 15.32.140,
“Sprinkler Systems,” of the Merced Municipal Code is hereby amended to read as
follows:

“15.32.040 Sprinkler Systems.

All sprinkler systems installed for the irrigation of lawns, plants and flowers shall be so designed and installed that the water is not sprayed or permitted to spray over or upon a sidewalk, alley or street. Portable sprinklers will not be permitted on the sidewalk, nor may they be placed in such a manner as to spray water upon sidewalks, alleys or streets, so as to prevent pedestrians or vehicles from using the public ways at all times without being struck or wet by the spray from the sprinklers. The irrigation with potable water of ornamental turf on public street medians is prohibited.”

SECTION 2. AMENDMENT TO CODE. Section 15.42.040,
“Prohibited Uses,” of the Merced Municipal Code is hereby amended to read as
follows:

“15.42.040 Prohibited Uses.

It is unlawful for any person to use water obtained from the water system of the City of Merced through fraud, including misrepresentations made to obtain a particular allocation of water, or for any prohibited use as hereinafter defined:

C. The operation of any ornamental fountain or other such structure making use of water from the City domestic water system, unless such fountain or structure uses a recirculating water system.

D. The use of water, except for domestic use, where an adequate source of water is available whether such alternate source is reclaimed water, well water, spring water, or other source.

- J. All car wash fundraisers must be held at an established car washing facility that collects and recycles the run-off water before it enters the City's sewer system. When held in a parking lot, car washes can cause pollutants such as soap, dirt, oil grease, and other automotive fluids to enter the storm drain system.
- K. The serving of drinking water other than upon request in eating or drinking establishments, including but not limited to restaurants, hotels, cafes, cafeterias, bars, or other public places where food or drink are served and/or purchased.
- L. To promote water conservation, operators of hotels and motels shall provide guests with the option of choosing not to have towels and linens laundered daily. The hotel or motel shall prominently display notice of this option in each guestroom using clear and easily understood language.”
