

More Choice and Convenience with VSP® Network Providers

Freedom to Choose

Finding the right eyecare provider for you is important to your eye health and overall wellness. We put our members first. That's why with the VSP® provider network, you have the freedom to choose local VSP doctors and participating retail chains, or an out-of-network provider you already know and trust.

Great Eyecare and Savings

With a VSP network provider, your satisfaction is guaranteed. You'll enjoy convenience, service, and savings—most offer evening and weekend hours. And you'll get the most out of your benefit, including a WellVision Exam® and other services to ensure the health of your eyes.

You'll also receive additional savings on overages and non-covered services. With the widest selection of quality eyewear, you're sure to find the eyewear you love at a price that's right for you.
