## **CONSTRUCTION/TRAFFIC ADVISORY BPMP Bridge Repairs on G Street over Bear Creek**

Viking Construction Company, in partnership with the City of Merced, will be closing one traffic lane in one direction on **G Street between North Bear Creek Drive and 27<sup>th</sup> Street** during the times of 8:00pm to 6:00am on Monday, October 16, 2017 through Wednesday October 18, 2017 to finish environmental work for the bridge repairs over Bear Creek. North Bear Creek Drive will remain unaffected by the lane closure.

Please follow the advance warning signs and detour arrows that will guide you around the jobsite vicinity.

This work is scheduled to begin as listed, but is subject to change due to weather, availability of equipment and/or materials, construction related issues, and traffic incidents.

Should you have specific concerns or questions about the project, please contact the City of Merced Project Manager or the City Engineer listed below:

**Joel Svendsen, Project Manager**  
**Steven Son, City Engineer**

**209-385-6820**  
**209-385-6898**

For the safety of the workers and other motorists, please slow down for the construction zone.

Viking Construction Company and the City of Merced would like to thank you in advance for your patience and cooperation during this project.
