

# City of Merced

**Legend**

- ★ City of Merced
- Highways
- Roads
- Railroads
- Merced County

**The City of Merced is in the great Central Valley of California and is approximately 110 miles southeast of San Francisco and 310 miles northwest of Los Angeles. The City has a population of about 80,542 and serves as the county seat. Merced is located on Highway 99, the dominant north-south freeway in California, and is also served by Highways 140 and 59. The Union Pacific and Burlington Northern Santa Fe railroads have main lines that pass through the City.**
