

Merced Vision 2015 General Plan

List of Figures

NOTE: Unless otherwise noted, the source is the Merced Future Planning Division

Chapter 1--Introduction

Figure Number	Title and Source	Page Number
1.1	Regional Location	1-14

Chapter 2--Urban Expansion

Figure Number	Title and Source	Page Number
2.1	The Northern City <i>(from Merced 2030: How Should We Grow?, 1990)</i>	2-5
2.2	North Merced Conceptual Land Use Plan <i>(from Merced Villages Design Guidelines, 1991.)</i>	2-6
2.3	Merced Specific Urban Development Plan Boundary (SUDP) (1995-2015)	2-12
2.4	City of Merced Expanded Sphere of Influence	2-14
2.5	Rural Residential Centers Adjacent to the Merced SUDP (1995)	2-16
2.6	Franklin-Beachwood SUDP	2-18
2.7	Infill Development	2-25
2.8	University Community SUDP & UC Study Area <i>(from Merced County Planning Department, 1996)</i>	2-32
2.9	Merced-Atwater Area of Interest	2-34

Chapter 3--Land Use

Figure Number	Title and Source	Page Number
3.1	Merced Vision 2015 General Plan Land Use Diagram	See Map Pocket at Back of Document
3.2	Proposed Sphere of Influence and Specific Urban Development Plan (SUDP)	3-2
3.3	City of Merced Land Use Distribution (1992)	3-3
3.4a	Redevelopment Project Area No. 2 <i>(from Merced Redevelopment Agency)</i>	3-29
3.4b	Gateways Redevelopment Project--West <i>(from Merced Redevelopment Agency)</i>	3-30
3.4c	Gateways Redevelopment Project--East <i>(from Merced Redevelopment Agency)</i>	3-31
3.5	Merced-Atwater Enterprise Zone <i>(from Merced County Association of Governments)</i>	3-33
3.6	Commercial and Industrial Corridors	3-35
3.7	"Inner Village" Diagram <i>(from Merced Villages Design Guidelines, 1991)</i>	3-48
3.8	"Inner and Outer Village" Diagram <i>(from Merced Villages Design Guidelines, 1991)</i>	3-49
3.9	Fahrens Park Specific Plan <i>(from Fahrens Park Specific Plan, 1996)</i>	3-55
3.10	Campus North Specific Plan <i>(from Campus North Specific Plan, 1996)</i>	3-56
3.11	Northeast Yosemite Specific Plan <i>(from Northeast Yosemite Specific Plan, 1995)</i>	3-57
3.12	Bellevue Ranch Master Development Plan <i>(from Bellevue Ranch Master Development Plan, 1995)</i>	3-58
3.13	Proposed Specific Plans	3-60

Chapter 4--Transportation and Circulation

Figure Number	Title and Source	Page Number
4.1	City of Merced Circulation Plan	Foldout Map between Pages 4-2 and 4-3
4.2	Major Regional Routes	4-7
4.3	North Merced Arterial Street Network	4-10
4.4	Major Arterial/Arterial Cross-Section	4-12
4.5	Divided Arterial Cross-Section	4-12
4.6a	City Transit Routes <i>(from Merced County Transit Consolidation Plan, 1996)</i>	4-14
4.6b	City Transit Routes <i>(from Merced County Transit Consolidation Plan, 1996)</i>	4-15
4.7	M Street Transitway Corridor (Major Destinations)	4-16
4.8	Conceptual North Merced Transit System <i>(from Merced Villages Design Guidelines, 1991)</i>	4-17
4.9	Railroads Through Merced	4-20
4.10	Bicycle Transportation Plan	4-22
4.11	Anticipated Circulation System Improvements	4-25

Chapter 4--Transportation and Circulation (Continued)

Figure Number	Title and Source	Page Number
4.12a	Level of Service--Intersections <i>(from Highway Capacity Manual and 1992 Mountain View General Plan)</i>	4-27
4.12b	Level of Service--Arterials <i>(from Highway Capacity Manual and 1992 Mountain View General Plan)</i>	4-28
4.13	Parsons Avenue Corridor Project <i>(from Parsons Avenue Corridor Project Environmental Impact Report, 1992)</i>	4-30
4.14	Collector Example	4-31
4.15	Collector Acting as a "Through-way" for Arterial Traffic	4-32
4.16	Conflicts with Backing onto Collectors	4-32
4.17	Bridges and Railroad Crossings	4-34
4.18	Martin Luther King Jr Way & Childs Avenue Study Area	4-36
4.19	Cardinal Drive and G Street	4-37
4.20	R and V Street Interchanges <i>(from Merced County Association of Governments)</i>	4-37
4.21	13th and 14th Streets One-Way Couplet <i>(from Merced County Association of Governments)</i>	4-38
4.22	Childs Avenue Interchange <i>(from Merced County Association of Governments)</i>	4-38
4.23	Illustration of Implementing Action T-1.6.d	4-49
4.24	Illustration of Implementing Action T-1.7.b	4-50
4.25	Illustration of Implementing Action T-2.2.b	4-54
4.26	Illustration of Implementing Action T-2.8.c	4-60
4.27	Highway 59 Expressway (Frontage & Reverse Frontage Roads)	4-67
4.28	Highway 99 Corridor Study Area <i>(from Merced County Association of Governments)</i>	4-70
4.29	Willowbrook Circulation Study Area	4-72
4.30	Expressway Cross-Section	4-75
4.31	Major Arterial/Arterial Cross-Section	4-76
4.32	Divided/Minor Arterial Cross-Sections	4-78
4.33	Transitway Cross-Section	4-79
4.34	Collector Street Cross-Sections	4-80
4.35	Conceptual Village Collector Circulation System	4-81
4.36	Local Street Cross-Sections	4-82
4.37	Special Cross-Sections:	4-83 to 4-85
4.37a	M Street between Black Rascal Creek and North of Merced College	4-83
4.37b	Childs Avenue between West Ave and Martin Luther King Jr. Way	4-84
4.37c	Highway 140 from V to X Streets	4-85
4.37d	Yosemite Parkway from 21st Street to Bradley Overpass	4-85
4.37e	R Street between Highway 99 and Childs Avenue	4-85
4.38	Expanded Intersection of a Major Arterial and a Divided Arterial <i>(from Fehr & Peers Associates, Inc.)</i>	4-89
4.39	Expanded Intersection of Two Major Arterials <i>(from Fehr & Peers Associates, Inc.)</i>	4-90

Chapter 5--Public Services and Facilities

Figure Number	Title and Source	Page Number
5.1	Proposed Fire Station Locations (from <i>Merced City Fire Department</i>)	5-3
5.2	Police Districts (from <i>Merced City Police Department</i>)	5-5
5.3	Baseline Urban Water Needs (from <i>Merced Water Supply Plan, 1995</i>)	5-6
5.4	Merced Schools	5-10
5.5	Public Buildings	5-14

Chapter 6--Urban Design

Figure Number	Title and Source	Page Number
	<i>(Unless otherwise noted, the Figures in the Urban Design Chapter are from Merced Villages Design Guidelines, 1991)</i>	
6.1	Urban Village	6-4
6.2	Inner Village (Implementing Action 1.1.a)	6-8
6.3	Urban Village (Implementing Action 1.1.d)	6-9
6.4	Conceptual Phasing of a Village (Implementing Action 1.1.g)	6-10
6.5	Village Boundaries (Implementing Action 1.2.b)	6-11
6.6	Village Street Systems (Implementing Action 1.2.d)	6-12
6.7	Pedestrian & Bicycle System (Implementing Action 1.2.g)	6-13
6.8	Alleys	6-14
6.9	Street Vistas	6-15
6.10	Core Commercial Areas	6-17
6.11	Core Commercial Area (Implementing Action 1.3.b)	6-18
6.12	Parking Lots	6-19
6.13	Parking Lot Landscaping	6-19
6.14	Core Commercial Configurations	6-21
6.15	Upper Story Uses in Core Commercial Areas	6-23
6.16	Housing Types (Implementing Action 1.4.a)	6-24
6.17	Range of Densities (Implementing Action 1.4.b)	6-25
6.18	Residential Garages	6-29
6.19	Ancillary Units	6-30
6.20	Village Green (Implementing Action 1.5.c)	6-33

Chapter 7--Open Space, Conservation, and Recreation

Figure Number	Title and Source	Page Number
7.1	Parks in the Merced Area (from <i>City of Merced FOCUS Magazine, 1996</i>)	7-5
7.2	A Typical Neighborhood Park (from <i>City of Merced Parks and Open Space Master Plan, 1984</i>)	7-6
7.3	Types of Open Space (from <i>City of Merced Parks and Open Space Master Plan, 1984</i>)	7-14
7.4	Joint Use School and Park Design (from <i>City of Merced Parks and Open Space Master Plan, 1984</i>)	7-15

Chapter 8--Sustainable Development

Figure Number	Title and Source	Page Number
8.1	Regional Hydrological System <i>(from Merced Water Supply Plan, 1995)</i>	8-4
8.2	Planning Area Habitat Classifications <i>(from Sycamore Environmental Consultants)</i>	8-7
8.3	Typical California City Energy Use <i>(from Energy Aware Planning Guide by California Energy Commission, 1993)</i>	8-12
8.4	1987 Commercial and Residential Energy Use in CA <i>(from Energy Aware Planning Guide by California Energy Commission, 1993)</i>	8-12
8.5	California Energy Network--1991 <i>(from Energy Aware Planning Guide by California Energy Commission, 1993)</i>	8-13
8.6	Merced Area Soil Capability Groups <i>(from City of Merced Environmental Resources Management Plan, 1974)</i>	8-38
8.7	Merced Area Soil Association Map <i>(from Merced County Year 2000 General Plan)</i>	8-41
8.8	Merced Area Important Farmland Map <i>(from California Department of Conservation, 1992)</i>	8-42

Chapter 9--Housing

Figure Number	Title and Source	Page Number
9.1.1	City of Merced Regional Map	9-2
9.1.2	City of Merced City Limits	9-3
9.1.3	City of Merced Sphere of Influence (SOI) and Specific Urban Development Plan (SUDP)	9-4
9.1.4	UC Merced Planning Area	9-5
9.3.1	Wages and Affordability for Merced County	9-54
9.4.1	Vacant Parcels in the Merced City Limits	9-69
9.4.2a	Vacant Residential Parcels in Relation to Existing Water Lines	9-70
9.4.2b	Vacant Residential Parcels in Relation to Existing Sewer Lines	9-71
9.4.2c	Vacant Residential Parcels in Relation to Existing Storm Drain Lines	9-72
9.5.1	Flood Zones	9-82

Chapter 10--Noise

Figure Number	Title and Source	Page Number
10.1	Projected Noise Contours (2010)	10-3
10.2a & b	Noise Abatement Techniques	10-4 to 10-5
10.2c	Common Indoor and Outdoor Noise Levels	10-7
10.3	Merced Municipal Airport Noise Contours (1990 and 2010) <i>(from Merced Municipal Airport Master Plan, 1990)</i>	10-15
10.4	Merced Municipal Airport Safety Zones <i>(from Merced Municipal Airport Master Plan, 1990)</i>	10-16
10.5	Noise Sensitive Land Uses	10-18
10.6	Noise Compatibility Guidelines <i>(from State of California General Plan Guidelines, 1990)</i>	10-20
10.7	Truck Routes	10-21
10.8	Common Indoor and Outdoor Noise Levels	10-22
10.9 to 10.13	Barrier/Noise Reduction Concepts for Noise Attenuation <i>(from U.S. Department of Housing and Urban Development, "Noise Guide Book," March 1985.)</i>	10-24 to 10-25

Chapter 11--Safety

Figure Number	Title and Source	Page Number
11.1	Geologic Faults In and Around Merced County <i>(from Merced County Year 2000 General Plan)</i>	11-12
11.2	Subsidence Areas in Merced County <i>(from Merced County Year 2000 General Plan)</i>	11-16
11.3	Dam Failure Inundation Areas	11-18
11.4	The Flood of 1935 <i>(from Merced County Historical Society)</i>	11-20
11.5a	Flood Prone Areas	11-22
11.5b	Flood Prone Areas	11-23
11.6	Fire Station Service Areas <i>(from Merced City Fire Department)</i>	11-27
11.7	Merced Peak Day Water Production <i>(from Merced City Engineering Dept)</i>	11-29
11.8	Evacuation Routes <i>(from Merced City Fire Department)</i>	11-31
11.9	Merced Municipal Airport Safety Zones <i>(from Merced Municipal Airport Master Plan, 1990)</i>	11-33
11.10	Police Districts <i>(from Merced City Police Department)</i>	11-35
11.11	Bay Area Earthquake Cycle <i>(from "The Next Big Earthquake in the Bay Area May Come Sooner Than You Think," San Francisco Chronicle, April 30, 1991.)</i>	11-39
11.12	California Faults	11-40
11.13	Earthquake Intensity--Loma Prieta Earthquake (1989)	11-42
11.14	Earthquake Intensity--San Francisco Earthquake (1906) & Coalinga Earthquake (1983)	11-43
11.15	Earthquake Intensity--Vacaville Earthquake (1892) & Owens Valley Earthquake (1872)	11-44
11.16	Earthquake Magnitude	11-46
