

## BNSF – G STREET UNDER CROSSING Project # 106076

On Thursday October 23, 2008, City of Merced Staff held a community information meeting regarding the G Street Under Crossing. The audience was asked to leave comments regarding their opinions and key issues that may affect their neighborhoods. Copies of the original comments are attached to this summarized breakdown of fifteen submitted comments.

Agreement on closure of G Street:

- Of the fifteen comments received seven are in agreement to close G Street throughout the duration of the construction.

Approval of the project:

- The fifteen comments received are in favor of the project with traffic & neighborhood concerns.

Detours through neighborhoods:

- Five of the comments focused on the traffic congestion around the schools, and how will it affect the high volume of traffic in the neighborhoods.

Property:

- One comment letter from a triplex owner was concerned about the depreciation of their property.

Options:

- Two of the comments submitted listed option #2 and option #3 as their preference.
