

# **G Street Railroad Undercrossing Community Meeting**

The construction of a railroad undercrossing by the City of Merced may include changes in the street connections around the Burlington Northern & Santa Fe tracks.

- Come and review the concepts and alternative designs.
- Look at the informal displays and hear a short presentation.
- Give us your ideas and comments.

**Thursday, October. 23, 2008 at 6 p.m.**

Sam Pipes Conference Room,  
first floor Merced Civic Center, 678 W. 18th St., Merced
