

Your Measure C Dollars at Work Join the Conversation!

The City of Merced wants **your** input on the best ways to continue to maintain and improve our safety and quality of life. Thanks to voter approved local funding, Merced has prioritized public safety, road repairs, and other vital community services citywide.

We want to continue soliciting public feedback to ensure your priorities continue to be reflected in all City planning.

Below are some key priorities previously identified by your neighbors. Please give us **your** feedback on what's most important to you, by choosing up to three services—thank you!

- Ensuring local voter-approved funding continues to be used only in Merced
- Protecting and maintaining 911 fire/police response times
- Addressing homelessness
- Responding quickly to neighborhood fires
- Preventing gang activity in the city
- Maintaining fire protection services
- Maintaining neighborhood-based policing
- Improving safety at our schools and parks
- Making park restrooms cleaner and safer

Other City services and priorities are important to me, and I would like to add this comment:
